Conditions of Purchased Product

Streamline Circuits must be notified of any product that is nonconforming to Streamline Circuits Requirements.

Streamline Circuits reserves the right to approve or disapprove of any nonconforming product.

Streamline Circuits shall be notified of any and all major changes in products or processes that affect such product.

Streamline Circuits, its Customers and any regulatory agency or authority reserve the right of access to supplier's facilities and /or all applicable records to its product and / or Processes.

Streamline Circuits Purchasing Manager, Director of Quality and / or Process Engineer Manager shall coordinate any access right with the supplier. When and if required **Streamline Circuits** shall flow down to any sub-tier supplier any and all applicable requirements to **Streamline Circuits** purchase documents.

Counterfeit Parts Avoidance: In order to mitigate counterfeit parts entering the supply chain, the seller must fill the purchase order using only parts/material/chemistry from the Original Manufacturer or authorized distributors (Use of product that was not provided by these sources is not authorized unless first approved in writing by **Streamline Circuits**). Independent distributors, brokers, or other secondary sources shall not be used for items on the purchase order. If counterfeit parts are furnished under this purchase order, such items shall be impounded. The seller shall promptly replace such items with items acceptable to **Streamline Circuits** and the seller shall be liable for all costs relating to impoundment, removal, and replacement.

Sincerely,

Ron Jaech - Purchasing Manager
